Just Believe, Inc. mission is to help the homeless and disenfranchised progress from homelessness to contributing members of society; through affordable housing and outreach advocacy warming centers, we work with non-profit and for-profit organizations helping people lead self-sustaining lives. Our purpose is to provide support and bring hope to those in helpless situations.

Our philosophy is that we are all only human and we are committed to helping the homeless overcome homelessness one person at a time.

Services we provide:

- We manage the Code Blue Warming Center in Toms River and assist in other centers in the surrounding communities
- We provide support and help for our veterans in need
- We assist in permanent home placement
- We supply subsidies to pay utility bills and help to aid with rent and deposits
- We provide liaison services with mental health and substance abuse resources
- We provide life management skills
- We help provide food to those in need
- We provide aid in understanding Social Services and other related resources
- We advocate through various barriers
- We help to provide repair services (home or car)

The money raised for this event is going towards our Building Fund. We are currently working on plans to build and open transitional housing centers to help our homeless vets and others in need of assistance.

Yes, I would like to become a Sponsor for the Just Believe, Inc. First Annual Charity Golf Outing!
